

Evening talk on Canine Social Skills by Winkie Spiers

When: 7 – 9pm, Wednesday, 16th September 2009 (registration from 6.30pm)

Where: The Alma Pub, 499 Old York Road, London SW18 1TF
(upstairs in private room)

Socialisation is a key part of teaching a dog of whatever age to cope with a variety of different experiences and to be able to communicate effectively with other dogs. A large number of problem behaviours in dogs of all ages stem from either lack of socialisation or inappropriate socialisation which means that having good social skills is as important for dogs as it is for people!

By understanding more about how to socialise our dogs at all stages of their lives we can improve the quality of our time together and increase the enjoyment in each other's company.

During this evening talk you will learn more about the social lives of dogs and how to implement some positive and interesting changes.

Winkie Spiers: Dog Trainer & Behaviourist, Human & Canine Bowen Therapist, member Association of Pet Dog Trainers (00804), Chairwoman & member Pet Dog Trainers of Europe (F036), member of INTOdogs and European Guild of Canine Bowen Therapists. Winkie has studied dog behaviour, training, communication, care and health extensively. She has been on many courses, completed a 2 year OCN course (International Dog Behaviour & Training School) and continues to learn and expand her skills. She speaks abroad and in the UK on a wide range of dog related subjects. Her first book 'How To Handle Living With Your Dog' will be available at the talk, from Lorna's Pet Care Service, Amazon, www.shortstackpublishing.com and through her website, www.winkiespiers.com.

There will be a range of quality dog treats and toys for sale from *Lorna's Pet Care Service* including many special offers and the launch of some new products. There will also be a free prize raffle.

Dogs cannot join us for this evening but there will be plenty of video and photos of dogs during the talk.

Pre Booking is essential – ticket price £10.00 per person
